

## **DUE TO COVID RESTRICTIONS CALL DANNY BUSH FOR SCHEDULE AND LOCATION**

### **AMATEUR LICENSE EXAM PREPARATION AND TESTING**

To qualify for an amateur radio license, applicants must pass a written examination.

Morse code is no longer required for any class of license.

LICENSE STUDY BOOKS and other test preparation materials are available from the American Radio Relay League (ARRL), the national association for amateur radio; <http://www.arrl.org> . They can also be obtained from the Gordon West Radio School; <http://www.gordonwestradioschool.com>

### **CAVEC**

Test sessions are currently being held at the QTH of Mike K4MR. Please contact Danny Bush or a CAVEC team member for details and schedule.
